

Research Essentials

“Introduction to the Florida Poison Information Center Network (FPICN) Statewide Data System and its connection to the National Poison Data System (NPDS)”

Presented by: Jay Schauben

**March 3, 2022
12:00pm – 1:00pm**

Learning Objectives: Upon completion of this workshop, participants should:

- 1) Describe the basic logistics/operational paradigm of the Florida Poison Information Center Network
- 2) Discuss the mechanism in which Poison Centers collect patient care data and what bias may exist in such data sets.
- 3) Describe the various mechanisms available to access Statewide and Nationwide Poisoning data available to researchers through Poison Center collaboration.

Disclosures: Jay Schauben has disclosed that he has no relevant financial disclosures. No one else in a position to control content has any financial relationships to disclose.

Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
